If you have text service on your phone you can place yourself on the Eastview Elementary Text List to receive building updates and reminders. To get on the text list from Eastview Elementary simply send a text to **419-482-1735** and type in the following word: **@eastvi**

Kindergarten Screening

We will be screening next year's kindergartner's on May 2nd. If you know someone who has a kindergartner for the 2017-2018 school year that does not have a scheduled time, please have them contact the school. Thanks!

Message from the Principal

Dear Parents,
I hope everyone has a wonderful Spring Break. Break will start on April 10th. School will resume on April 18th. When we return we will be finishing up AIR testing for our 3rd and 4th graders. Our fourth graders will complete their math exam on April 25th and 26th and their Social Studies exam on May 2 and 3rd. Our third graders will complete their math exam on April 27th and 28th. Please be sure that your child receives a good night's rest and is on time to school on test days. We truly appreciate your support. The school year is quickly coming to an end. Please encourage your child to be on their best behavior and to end the year strong. All hard work pays off. Thanks again!

Sincerely,

Melissa Wigton

On March 13th, we had a special presentation called "The NED Show". Through amazing yo-yo tricks students were inspired to Never Give Up, Encourage Others, and to Do Their Best.

SUPPORT NEEDED!

The Madison Local School District has a RENEWAL LEVY on the ballot for May 2nd. This is not an additional tax. Please look for more information to follow. Your support is greatly appreciated.

The first grade team prepares to "surgically connect" contractions. With the students' help they successfully made two words into one. Ex. I + am = I'm. Great job, team!

Math Fun Night

On March 9th we had a great Math Fun Night. Students made crafts, played games, and ate pizza. Every student that attended won a raffle prize. We appreciate everyone that came out that night to support our students.
