MAY TESTING DATES

**It is very important that students are in school on their testing day to avoid spending time on makeups. Please schedule any appointments appropriately to avoid any conflicts*

Science – 8th Grade Only

May 4th, Thurs.

8th Gr. Science

Our academic challenge team has been fiercely competing this spring. Good luck to our students as they prepare for their last meet in May at the Mid-Ohio Educational Service Center!

Message From The Principal

We are almost all completed with the state assessments for this school year! These are also referred to as AIR tests because they are created by the American Institutes of Research. ODE has posted that families can expect to receive their child's results in the mail at the beginning of August. Thank you to all of our parents for their extra support of our students during state testing time!

Good luck to all of our students who are finishing up their spring athletic season. Good luck also to our band and choir students who will be completing their last performance of the school year next month.

Sincerely,
Mr. Muro
Principal

Gracie Hout and Meghan Stanley were recognized nationally for their inspirational essays entered in the Jackie Robinson "Breaking Barriers" essay contest!

Students had the opportunity to enjoy dancing and other rewarding activities before spring break as part of our Positive Behavior Intervention and Supports (PBIS) program.
